

SEENET-MTP Seminar for Teachers

Trends in Modern Physics

August 19 - 21, 2011, Niš, Serbia

Lecturers

M. Bogosavljević
R. Constantinescu
F. Corni
B. Dragovich
Lj. Nešić
M. Radović
K. Skordoulis
S. Sotiriou
M. Storr
K. Susman

Topics

Astronomy
Computers in physics education
Hands-on experiments in physics
History of physics
Laboratory of physics
Models for physics learning
Research and education at CERN
Teaching in context

Organizers

SEENET-MTP Network - Office Nis, Faculty of
Science and Mathematics, Univ. of Niš
Physical Society Niš
Faculty of Physics, University of Craiova

Support

UNESCO Venice Office
Astronomical Observatory Belgrade – Project BELISSIMA
